

Ceilings

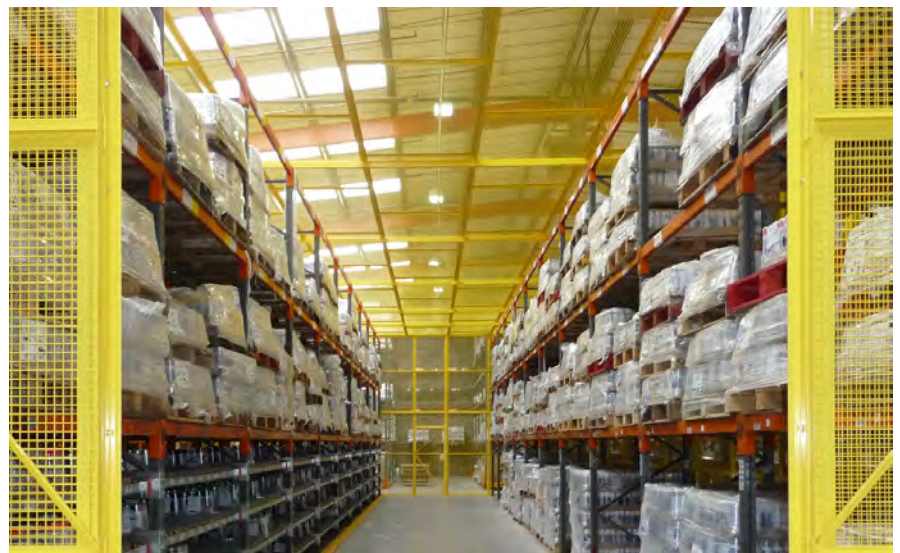

Office Ceilings - Self supported white faced minaboard style ceilings are available for both Europa and Europa 2 offices and workplaces. Ceilings can be supplied in all the standard styles and in a 1200x600mm or 600x600mm grid pattern.

Ceiling Support Beams - WRG can provide steel support beams to both mesh or minaboard style ceilings to give a clear span over an enclosure. Please contact us with your requirements and we will calculate what is required.

Mesh Ceiling - Integral mesh ceilings are available to complement the Europa mesh partitioning system. Mesh ceilings can be in filled with either 50x50mm or 25x25mm weldmesh to create a secure enclosure.
